**City of Welton’s Public/Emergency Notification System
Enrollment Form**

[Sign up here for the City of Welton’s Public/Emergency notification system!](#)

In the event of a City related emergency, such as a boil order or other notification deemed necessary per the Mayor or Council; the City can send an alert to the phone number you provide through voice or text.

There is no cost to sign up, as this service is provided by the City of Welton; however normal message fees may apply per your service provided for mobile devices. To receive text messages to your cell phone, your phone must have text messaging capabilities. Notifications are dependent upon external providers and receipt of notifications by the intended recipient cannot be guaranteed.
